

How We Help Business Owners Help Themselves...

Identify, clarify, crystallize, communicate, and achieve your individual vision. Members see as many different benefits as individuality and circumstance stimulate. Here are some of them:

- Clarifies vision
- Increases confidence
- Supplements blind spots
- Quickens problem resolution
- Improves competition
- Increases sales
- Reduces need for paid consultants
- Increases circle of advisors
- Permits testing new directions
- Eliminates re-invention of the wheel
- Acts as an honest mirror
- Gets owners out of the forest
- Improves relationship with outside professionals
- Creates new non-obvious business opportunities
- Broadens and deepens understanding
- Reduces doubt and worry
- Improves ability to motivate
- Reduces sense of loneliness
- Facilitates delegation and transition
- Teaches new material
- Expands personal network
- Deepens willingness to trust others
- Provides candid feedback
- Reduces risk
- Provides accountability
- Provides a safe harbor
- Makes new friends
- Tells owner what he/she needs to hear

“As our technical means of communication develop, people have a harder and harder time just talking to one another.”

- Guiseepe Cirilo
